# Curriculum Vitae

A résumé or curriculum vitae (CV) is a document containing a summary or listing of relevant job experience and education. The word résumé (often spelled resumé or resume) is used especially in the United States and in English Canada; the Latin term curriculum vitae (often abbreviated CV) is instead used in the United Kingdom, Ireland, New Zealand, French Canada and some Commonwealth countries, as well as in the academic fields in North America, and in many languages other than English. In some regions (such as Australia and India) CV and résumé are used interchangeably.
